

St. Denis Parish and Cardinal John Foley School did something AMAZING this year, something that many others thought too difficult, too challenging. Cardinal John Foley students have been IN SCHOOL, IN PERSON, FIVE days a week since September 9th, 2020! The amazing individuals on the Pandemic Task Force created a formula that allowed our students AND our TEACHERS to be in a classroom, for a full day of education, during a pandemic. That in itself is truly outstanding! Our HARD WORKING teachers have had to make quick adjustments to their daily routines on a moment's notice. Students now more clearly understand the word 'flexibility'. Parents figured out quickly that a 'normal' day could be flipped upside down with the notification of an email from the school in regards to a covid-19 case notification.

Yes, we are hitting the 'Pause' button for the 2021 Fun Fair. As our community and state begins to reopen, we are taking each new step back to 'normalcy' with caution and with the welling-being of our students, teachers, and parishioners in mind. We have truly been blessed with support from Father Gallagher, Mrs. De Angelo, the Pandemic Task Force, AND the Finance & Pastoral Councils in guiding us to make this tough, but right decision. The Fun Fair will always be in May and will be back with all its bells and whistles (maybe even more) in 2022. With that being said, let's get into what the Fun Fair Board IS planning for 2021! Thank you for your support and understanding! We look forward to seeing you soon.

## **2021 ST. DENIS 'VIRTUAL' FUN FAIR** ***(FRIDAY, APRIL 30<sup>TH</sup> – THURSDAY, MAY 6<sup>TH</sup>)***

All events with dates, times, and links will be available on the St. Denis Fun Fair website and Facebook soon! [www.stdenisfunfair.com](http://www.stdenisfunfair.com)
