

YOU DID IT!

It has been a busy summer at Cardinal John Foley School!!

Your support of the St. Denis Fun Fair, CJF Home & School Association Events, and Parishioners donations have helped to make some much needed upgrades and renovations a reality to the school.

Check out the list below as to what has been accomplished (so far). And yes, there is still more on the 'to-do' list.

- Media Center : complete remodel (new equipment, flooring, lighting; air conditioning added)
- Constructed two new Classrooms 106 (Pre-K) and 116 (Kindergarten)
- Gymnasium lighting upgraded to LED (cut energy consumption in half!)
- Electrical circuit rewiring and panel box upgrades first floor of St Denis Hall building
- Cafeteria - Ceiling fans added; replaced tables w/ round tables; repainted; new PA system
- Extensions of waterproofing system in basement of Pre-K rooms
- New Flooring: St Denis Hall building Pre-K area and 1st Floor hallway
- Complete repainting of top floor of Annunciation BVM building
- School-wide upgraded of Wi-Fi system for improved internet access
- School-wide telephone system replacement
- Added backup power systems for Ethernet/PA/Phone Equipment
- Computer Network Server upgraded
- School-wide various furniture upgrades (shelving, teacher desks, area carpets)
- Partial school yard pavement sealing
- Gymnasium Floor - cleaned and recoated with floor finish; protective mat system steam-cleaned
- Tree Trimming and landscaping clean up along school property lines.
